## ABOUT US

Founded in the year **2000**, V.K. Enterprise began its journey with a vision to serve the needs of local ship agents operating along the west coast of India. What started as a small initiative has now flourished into a second-generation family business, led by two dynamic sisters who have expanded the company's reach to all major ports across India. With more than two decades of expertise, we have built a robust network, becoming a trusted partner in the maritime industry.

At V.K. Enterprise, we offer direct services to ship owners, management companies, and ship agencies, comprehensive solutions that cater to the diverse needs of the shipping world. From supplying high-quality products to delivering specialized technical services, we pride ourselves on being a one-stop solution for all diversified ship requirements. Our commitment to excellence, reliability, and innovation has earned us a reputation for being a reliable partner in maritime operations.

With ISO 14001, ISO 22000, ISO 9001, GPCP, MARPOL, IMPA, SHIP SERVE, and FDCA certifications, our operations uphold the highest standards of quality, safety, and sustainability. As a company rooted in integrity and professionalism, we are dedicated to supporting the maritime industry with unparalleled service and expertise.

## OUR MISSION

To deliver exceptional ship supply and service solutions that meet the dynamic needs of the maritime industry. We aim to build lasting relationships with our clients by providing reliable, high-quality products and services, ensuring operational efficiency and safety at every port.

## OUR VISION

To be a globally recognized leader in the maritime industry, known for our commitment to excellence, innovation, and sustainability. We aspire to set new benchmarks in ship supply and services while fostering long-term partnerships and contributing to the growth and success of our clients worldwide.

## EXPERT SERVICES COVERING ALL YOUR NEEDS

### • **PORT AGENCIES:**

We ensure seamless vessel coordination, efficient crew changes, and swift clearance of spare parts at every port call. Our services also include obtaining SSEC (Ship Sanitation Exemption Certificate) and Medical Chest Renewal Certificates, ensuring compliance with international maritime regulations. With expertise and reliability, we provide end-to-end support for vessels.

### • **SUPPLIES:**

We provide a comprehensive range of ship supplies, including Deck & Engine Stores, Bonded Stores (mooring ropes, thimble wires, crane wires, hatch cleaning chemicals, and more, all class & OEM approved), Safety Stores, and Galley Stores. Our provisions also cover Medical Supplies, Paints & Chemicals, Electrical Equipment, Chipping & Painting Equipment, IMO Signs, Posters, and Flags—ensuring vessels stay fully stocked and operational.

### • **WASTE MANAGEMENT:**

We ensure efficient collection, segregation, and disposal of ship-generated waste, including oily residues, sewage, sludge, slope, waste lube oils, garbage, scrap, and old mooring ropes. Compliant with MARPOL regulations, our services help reduce marine pollution and maintain a clean, safe harbor environment.

### • **AUTOMATION SERVICES:**

Our specialists provide expert maintenance and repair of ship systems, including refrigeration, air conditioning, boilers, generators, engine controls, incinerators, and bilge systems. We ensure optimal onboard climate control and peak vessel performance while adhering to industry standards.

### • **REPAIRS & CALIBRATION:**

We offer comprehensive repairs and calibration services, covering structural, mechanical, and electrical repairs. Our technicians diagnose and resolve issues swiftly, minimizing downtime and ensuring regulatory compliance.
